Advisor's Minute

“The only time success comes before work is in the dictionary”

#### Chiefs Corner

Landon thanked everyone for their help in making conclave possible and knows that it took a lot of hard work to get to this point. Landon talked about his story in scouting and how he was active in the beginning and almost lost interest during the time of COVID. Without the people around him he wouldn't be where he is today.

Closing Song 6:29pm
